Parrot Instructions

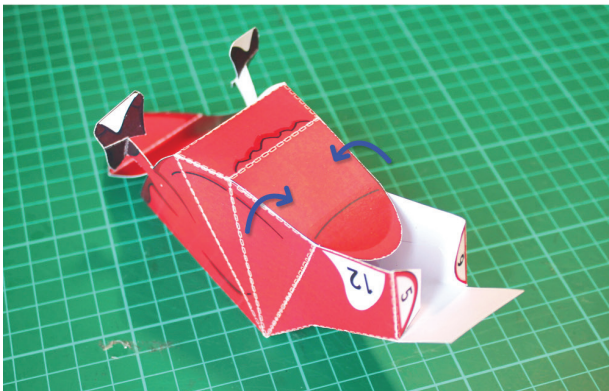

Step 1

Carefully cut out the model along the solid black outline. Carefully cut out around the feet and up along the wings as shown.

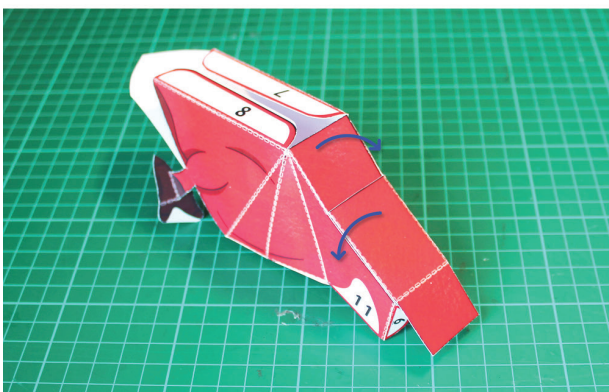

Step 2

Fold along the dotted lines as the diagram below shows, folding up and down accordingly.

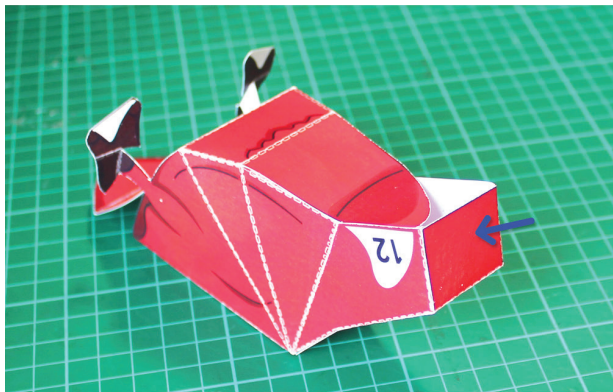

Step 3

Glue tabs 1 and 2 to the chest of the parrot as shown.

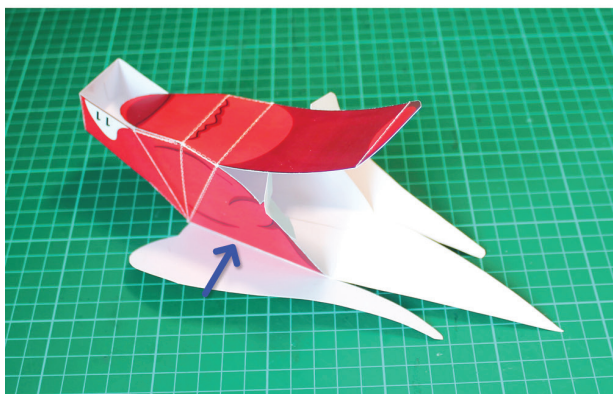

Step 4

Fold tabs 3 and 4 down so they are flush with the body as shown.

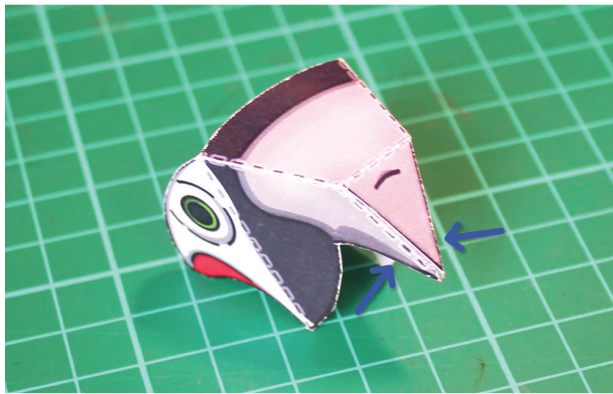

Step 5

Glue tabs 5 and 6 to the top of the parrot's head as shown.

Step 6

Glue the wings to the back of the parrot using tabs 7 and 8 making sure the wings point towards the bottom of the model as shown.

Step 7

Glue the beak together using tabs 9 and 10 as shown.

Step 8

Glue the beak to the parrot's body using tabs 11 and 12 as shown.

Optional – Glue the parrot's feet to the base plate using tabs 13–16 to help the model stand on a ledge.
